Re: Plumas Court Closures Beginning Wednesday, September 16, 2009

All locations of the Plumas Superior Court will close on the third Wednesday of each month, from September 2009 through June 2010. The first day of the closures will be Wednesday, September 16, 2009.

As authorized by Government Code section 68106, the Judicial Council of California approved the court closures due to the unprecedented statewide fiscal crisis and judicial branch budget reductions.

All California courts are affected: the California Supreme Court, the Courts of Appeal and the Superior Courts.

The court closure days will be:

September 16, 2009, October 21, 2009, November 18, 2009, December 16, 2009, January 20, 2010, February 17, 2010, March 17, 2010, April 21, 2010, May 19, 2010 and June 16, 2010

Court closure days are to be counted as holidays for the purpose of computing time for statutory deadlines. The Plumas judges will be available for the signing of any necessary documents on an emergency basis during the time the court is closed, just as a judicial officer is now available on Saturdays, Sundays, and holidays.
